

Boo Boo Bunny

What you need: 1 washcloth, 1 rubber band, "googly" eyes (optional), glue (optional), ice (optional)

1. Lay out your washcloth

2. Fold the washcloth into a triangle

3. Roll the washcloth starting at the point

4. Fold the rolled washcloth in half

5. Fold the washcloth in half a second time

6. Tie a rubber band around where you folded the washcloth a second time, this will be the bunny head

7. Fluff the bunnies ears

8. Glue eyes on if you desire

9. Ice can be put into the bunny's body to help with a boo boo.

10. If you do not put eyes on, the whole bunny can be rinsed in water and placed in the freezer great for teething mouths.
