jkidphilly

V'ahavta l'reacha kamocho (loving your neighbor as yourself)

It is important to treat people the way we want to be treated. At jkidphilly, we know that many people in our community don't have access to basic necessities. At our Little Hands Make A Big Difference programs, we will be making Blessing Bags. Each bag will include a variety of items that will help those in need. Families will be able to make one or two bags to:

- Keep on hand in your car, so that if you are in a situation where you find someone in need, you can help in that moment.
- Donate to a homeless shelter or other organizations that work with the homeless.
- Give to a jkidphilly staff member and we will deliver it to the Mitzvah Circle Foundation for distribution.

jkidphilly will provide soap, washcloths and granola bars.

jkidphilly families are invited to bring one of the following items to donate for our Blessing Bags:

- Hand-warmers (40 packs can be found at warehouse stores)
- Toothbrushes
- Socks
- Toothpaste
- Chapstick
- Lotion
- Mints/Gum

Each family should bring at least 5 of an item.

***Be an upstander, not a bystander.
Make a difference with your jkids!***
