

January: *Sh'mirat Ha'adamah* / Protecting the Earth

...bringing Jewish life and learning to your door.

1. READ

Shmirat Ha'adamah, Hebrew for protecting the earth, is both a universal and a core Jewish value. The earliest Jewish text, the Torah, teaches that each one of us is responsible for preserving our environment.

2. ASK

How can you help to take care of the earth?

Do you help with recycling, taking care of plants, or picking up litter?

3. DO

Here are some items you might find around your house. You can either reuse them or recycle them. Cross off the ones you find.

Newspaper

Cardboard

Glass Jars

Mixed Paper

Plastic

Aluminum Cans

Magazines

Steel/Tin Cans

Office Paper

Have you used any of these items to create some artwork?

Ask your parents to share your creations at
