

HOW TO MAKE A SOLAR OVEN

What you need: cardboard pizza box, crayons, aluminum foil, tape, black paper, plastic wrap, newspapers, dish, cooking ingredients

	<p>Decorate the top and sides of your pizza box with a personalized sign and crayons.</p>
	<p>Wrap the foil sheet tightly over the inside of the top flap. Secure it with tape.</p>
	<p>Tape black paper to the bottom of the inside of the box.</p>
	<p>Tape plastic wrap to the inside edges of the “window” on top of the box.</p>
	<p>Roll tubes of newspaper and stuff into the sides of the box. Make sure you are still able to close the lid of the box!</p>
	<p>Put your matzah on a dish inside the oven and it's time to cook!</p>
