Passover is coming! It's a fun and important Jewish holiday.

On Passover, we remember the story of how long ago, the Hebrew people were slaves in the land of Egypt. Moses was a great leader who helped them become free!

We celebrate  
Passover by having a  
special meal called a  
Seder.

At a seder, we sing songs, say prayers and eat special Passover foods.

Some families have big seders, with lots of family or friends.

Some families have  
smaller seders at  
home.

Some families travel to see Grandparents, cousins or other special friends for their Passover seder.

This year for  
Passover, we will  
make sure that  
everyone stays safe  
and healthy!

Families will stay in their homes and can make nice Passover seders there.

We will still be together by using the phone or computer to see grandparents or other family members. We can be safe while still being connected.

At our seders, we will still have a seder plate, sing Dayenu and say prayers just like we do every year!

It will be a happy  
Passover!
