

Venture into Passover

Miriam's Timbrel

Make a tambourine to celebrate with just like Miriam did when the Jews escaped to freedom!

Materials

2 paper plates, hole puncher, 4 medium-sized bells, ribbon, markers

Steps

1

Put two paper plates together and punch four holes through both plates, equally spaced around the rim.

2

Thread a ribbon and a bell through each set of punched holes and tie a tight knot.

3

Decorate the outsides of the plates and shake your timbrel!
